DETAILED ACTION

1. This Supplemental Notice of Allowance is to acknowledge the originally filed Information Disclosure Statement (IDS) filed on September 18, 2003. The examiner inadvertently did not initial the originally filed Information Disclosure Statement. The IDS contains 15 U.S. Patents of which 8 were cited by the examiner on form PTO 892 along with the Office Action of July 19, 2004.

2. Since the examiner cited 8 of the patents on the PTO 892, those patents on the IDS are lined through so not to be printed twice on the front page of the patent.

3. Therefore, to make the record clear as to what the applicant submitted as prior art, the following list indicates the prior art of record as submitted by the applicant at time of filing:

U.S. 2,258,999

U.S. 2,302,875
